

We´re living in the last days  
We can see it all around  
People looking for a new direction  
Tired of being bound.  
While searching for the answer  
I was told about the Christ.  
Since I met Him I´m a brand new creature  
Since He came to give me life

Chosen to do a work for the Master  
Called out to be a witness  
Chosen to do a work for the Master  
Called out, called out  
Spreadin´ good news about Jesus  
Called out to be a witness

Seek and you will find Him  
For His promises are true  
and when you try Him you will know it  
And you will be a witness to

Since I met Him I´ve been touched by His love  
and I´m changed

Give your heart and soul to Jesus  
Let Him have complete control  
He will bless you and renew your spirit  
and You will want the world to know.
