

We´re living in the last days
We can see it all around
People looking for a new direction
Tired of being bound.
While searching for the answer
I was told about the Christ.
Since I met Him I´m a brand new creature
Since He came to give me life

Chosen to do a work for the Master
Called out to be a witness
Chosen to do a work for the Master
Called out, called out
Spreadin´ good news about Jesus
Called out to be a witness

Seek and you will find Him
For His promises are true
and when you try Him you will know it
And you will be a witness to

Since I met Him I´ve been touched by His love
and I´m changed

Give your heart and soul to Jesus
Let Him have complete control
He will bless you and renew your spirit
and You will want the world to know.
