

Come back to the rock

1. If I could be a tree just for a moment.
If I could try and taste how does it feel.

I would worship with my *leaves*
and you would accept my praise!
Lord I love to sing praises to you.
I come back to the rock!

2. If I could be a bird just for a moment.
If I could fly like the angels do.... *wings*

3. If I could sing in a choir as a singer.
If I could try out my voice like we do... *voice*

S Come back there is a rock. Just come back and sing.
A I sing my praises. Heyho. Hosanna. Yes, I sing.
M Come back to the rock. Yes I. Do it! Back to the rock,
because I want to

Badabadapp Badababah! Yes!

II :Evrything that has breath come sing with me. Choir singers, birds and all trees! : II

Evrything that has breath come sing with me now.
