

Come Holy Spirit we need You.
Fill our hearts you have made.
Come with your grace and your power.
Come with your heavenly aid.

1. Come to the foolish with wisdom.
Give a new sight to the blind.
Come as a strength to my weakness,
pour on soul, body and mind.
2. Come as a joy to my sorrows,
come as a balm to the sore.
Come as a light to my darkness,
fill me with hope evermore
3. Come like a dew to my desert,
come to enliven my soul.
Come with your strong healing power,
inside me and make me whole.
