

I've got a reason

I've got a reason to praise the Lord
sing and clap my hands.
thank the Lord
jump for joy and dance.
praise the Lord.

I've got an urge to tell you that I love you lord.
You are God alone, yes I love you Lord
You sit on the throne! Yes I love you Lord. Jesus I'm your own.
I praise and magnify your majesty.
I've got a reason to praise the Lord/Him
