

## Keeper of my heart

1. There's a war that rages, a battle must be fought.  
There's a price that must be paid, a soul that must be bought.  
And yet the human only sees, what's right before His eyes.  
But what about the mysteries, the unseen world's demise.

He is the keeper of my heart,  
He is the shepherd of my soul.  
He is the rock on which I stand,  
He is the one who makes me whole.

2. Don't get me wrong. I do not mean, what happens here is light.  
I simply say there's deeper war, there's fiercer fights to fight.  
What happens here is tragic too hard to comprehend.  
Our cry goes out to those in pain, it echoes thru the land.

3. If all the things that trouble you, are laid before the cross.  
The circumstance is null and void, it's only gain, not loss.  
Your heart is faithful leave it there. He'll keep it safe for you.  
And then in time there's comfort there. He'll surely see you through.
