

Move Spirit

Move, Spirit move, set my soul on fire! Move, Spirit move, rain on me all day!
Move, Spirit move, like a holt' fire. Like a gentle touch, come fill my heart's desire!

Lord, I'm thirsty for Your Love! Send Your Spirit from high above.
When my soul runs dry and I don't know why, I need strength to carry on.
Send Your Holy Spirit down, down on me.

Move, Holy Spirit! Set my soul on fire.
Move, Holy Spirit! Rain on me all day.

Like a gentle touch, come fill my hearts desire!
Send Your Holy Spirit down, down on me.
