

Search for me,  
draw me closer to You.  
Reveal Your secret heart's desire.  
Stir me up until the gift in me is pure  
An all consuming fire.

You always know me, You always hear my cry.  
In the shelter of Your arms I'm satisfied.

Lord Jehovah El Shaddai!  
Yes, You are the Lord Almighty!  
How I love to sing Your praises  
Lover of my soul.  
I will sing about Your fame,  
tell the world about Your greatness.  
And how sweet it is to know You,  
Never let me go.

Look for me  
With all Your heart and soul.  
Make me the center of Your joy.  
None like You  
My heart my life I give to You  
No other can compare

Loving You, trusting You,  
keeps me in Your perfect peace.  
Secure in Your purpose is my destiny.
