

We pray in the morning and we pray in the night because
God's got the power to make everything right
what He did for me he will do for you and if you didn't know
this well now you do.

I saw a mountain too high to climb I was about to give up, but
then it crossed my mind

“What did you do?”

I started to pray

“To who did you pray?”

to Jesus Christ

“Why?”

Because sometimes prayer is the only way out.

Well I saw a valley so deep it was frightening I put all my trust
in the Lord God almighty

Well I saw a river too wide to cross I looked for a bridge but I
was lost

I was down nobody else around I had to put my feet back on
solid ground
