

Lord You are my all.
You are my love, You are my life.
You are my smile, You are my song,
Lord, You are everything to me
Lord You are my all.
You are my fortress, You are my friend.
You are my wings, You are my world,
Lord You are everything to me.

You are my friend. You are my everything.

You are (3x) You are my friend

You are (6x) You are my friend
